Staff Update
December 2024 | January 2025

GIS

Created a Field Comms solution that was tested and demoed with Emergency Services.

Attended the ESRI Emergency Management Summit in December.

Created a CAD data preparation model optimized for added data into the CAD Training environment.

IT

Set up storage array network to host virtual machines for the backup PSAP.

Preparing for building move including verification of what is needed for the server room and shutting down unused equipment.

Continue to work on Venture IT infrastructure.

Operations

LETA Internal QA program is now responsible for grading medicals for CSUPD, LCSO, and Estes Park.

Created new templates and trained CSU Everbridge senders on new templates and processes for sending emergency alerts on campus.

Worked with DHS to send test alerts via WEA to new emergency alerting devices around Larimer County.

OTHER UPDATES:

- Prashant from the Univeristy of North Texas and Dominic graduated from Colorado State University. Congratulations!
- LETA Staff participated in Larimer County OEM's full scale exercise in December.
- LETA Staff defeated Larimer County OEM/Loveland OEM in its annual Christmas duel!
